IPUA EVENTS FORUM

PU TECH 2027
8th Edition of Polyurethane Exhibition & Conference in India

Exhibition Dates :
20 – 22 Jan 2027
(Wednesday, Thursday, Friday)

Exhibit Build-up Dates :
18 – 19 Jan 2027
(Monday & Tuesday)

Venue :
Hall 9 to 12, India Expo Centre,
Greater Noida, Near New Delhi, INDIA

Gross Area : 22000 sqm

All stands are pillar free.

Booth Type Requirement:
Booths smaller than 24 m² are mandated to be compulsory shell scheme booths.

Height Restrictions:

Stand height should not exceed more than 2.5 m for shell scheme / 4 m for raw space. However, the back wall of the stand against natural wall of the hall can go up to height of 5 m. Logos and signage up to a height of 5 m is allowed, provided they are away from adjacent stands by 2 m.

Aisle Side Wall Restrictions :

Sides, which are open to the aisles and more than 7 m in length, should not be blocked by panels more than 50% of the length of such side. This restriction is not applicable if such walls are not on the edge of the stand, and is pulled in from the edge of the stand by a minimum bi 1 metre.

On-Site Construction Restrictions :
To promote a safer and healthier working environment, use only pre-fabricated structures. On-site wood working is fully restricted and will be asked to stop work and vacate hall.

No Emergency Exit may be obstructed by any exhibits orstructures thus ensuring free flow of attendees.

COLOUR SHADED STANDS ARE BOOKED. Check with the event manager for latest floor plan and availability.
